Mustard Pork Tenderloin with Grilled Vegetables in Foil

Ingredients

- 1 ½ lb of Pork Tenderloin — Trimmed of Excess Fat
- 3 Cloves of Garlic — Minced
- 2 Tablespoons of Pure Maple Syrup
- ¼ Cup of Apple Cider Vinegar
- 3 Tablespoons of Dijon Mustard
- 1 Tablespoon of Olive Oil
- 1 Teaspoon of Salt
- 1/2 Teaspoon of Black Pepper

For Vegetable Foil Packet

- 3/4 lb of Broccoli — Cut Into Florets
- 2 Cups of Cherry Tomatoes — Grape Tomatoes
- 1 Medium Zucchini — Or Summer Squash
- 2 Tablespoons of Extra Virgin Olive Oil
- 1 Teaspoon of Garlic Powder
- 1/2 Teaspoon of Salt
- 1/4 Teaspoon of Black Pepper
- ½ Cup of Fat-Free Mozzarella

Directions

1. Place pork in a large ziploc bag. In a bowl, whisk together garlic, apple cider vinegar, maple syrup, mustard, olive oil, salt, and pepper.
2. Seal the bag tightly, then “squish” the bag to marinate pork. Place in the refrigerator for 2 hours to 1 day, turning occasionally. Let sit in room temperature 30 minutes before grilling.
3. Assemble the vegetable packets: Tear off four, 12-inch squares of aluminum foil and arrange in an assembly line. Place the broccoli, tomatoes, and zucchini in a large bowl, drizzle with olive oil, then sprinkle with garlic powder, salt, and pepper. Toss to coat. Spoon 1/4 of the mixture into the center of each foil square, then seal the squares by pulling opposite sides of each square up so that they touch, then folding them over and over each other so that you create a packet. Fold the ends of the foil inward to seal the pouch.
4. When ready to cook, preheat the grill to medium (about 350 degrees F). Brush the grill with oil.
5. Remove the pork from the marinade, shake off excess. Discard the marinade and bag.
6. Cover and cook, turning once every two minutes, until the internal temperature reaches 140 degrees F, 12 to 15 minutes. 7.
7. Remove the tenderloin to a plate, cover, and let rest for 10 minutes before slicing.
8. Just before removing the pork from the grill, add the vegetable packets to the grill, also over medium heat. Cover the grill and let the packets cook for 10 minutes, until the broccoli is crisp tender. While the vegetables are still hot, sprinkle with mozzarella cheese. Serve hot with sliced pork

- 1 Cup of Water
- 1 Onion — Sliced
- 3 Cloves of Garlic
- 6 Cups of Cauliflower — Cut
- *Optional* 1 Teaspoon of Whole Worcestershire Sauce
- Salt — To Taste

To Serve:

1 Serving of Cooked Whole Wheat Pasta

Directions

1. Steam cauliflower in a large pot of water over high heat. Cook until cauliflower is completely soft.
2. While you wait for the cauliflower to soften, switch crockpot to high. Once the base is hot, add your onions and beef to the pot to start browning the meat and sautéing the onions. Salt to taste.
3. Turn crockpot down to low. Add mushrooms and water.
4. Drain your cauliflower and put it in a food processor with the garlic. The cauliflower should be soft enough to puree without adding any liquids.
5. Empty the cauliflower into the crockpot with the rest of your stew. The cauliflower creates the creamy texture and takes on the flavor of the beef, mushrooms and onion.
6. Add a teaspoon of Worcestershire sauce and stir the pot until all ingredients are well combined.
7. Leave on low for 5 - 8 hours up to 1 day!
8. Serve with one serving of whole wheat pasta!
